WE MAKE IT WORK FOR YOU

Our Mission:

To empower trauma centers through quality education, training, and staffing in the pursuit of quality data.

![success partners]

Education

Trauma Registrar Mentorship Program:
5 Weeks (up to 56 CEs)
Designed for the new trauma registrar.
Recognized by American College of Surgeons as meeting the first trauma registrar course requirement of CD 15-7.

Trauma Registrar Specific ICD-10-CM Training:
4 weeks, on demand class.
Specific focus on the trauma related ICD-10 chapters.

Trauma Registrar Preceptor
1 year (8 weeks one-on-one), and quarterly validation and feedback afterwards)
Customized training to meet hospital's needs.

Trauma Advanced Registrar Prep:
4 weeks, on demand class.
Designed for the experienced registrar for professional development or CSTR review.

Trauma Program Manager Mentorship:
8 Weeks (33 CNEs)
Designed for the new trauma program manager and follows the ACS *Resources of Optimal Care of the Injured Patient*, 2014.

Monthly Trauma Webinars:
2 Tracks available: TR & TPM
Occur live monthly, and then on demand.

Customized State and Regional Training:
We do customized day training! Give us a call to see how we can meet your specific training needs.

Social Media:
Beginning January 2018, follow our "Question of the Month!"

Staffing

Remote Staffing:
Short Term, Long Term, PRN
Different models available to meet every situation.

On-Site SWAT:
This option is for the facility with a significant backlog and pending site visit. The team works extended hours for high productivity.

Data Validation

Data Validation:
We offer the BDVS software for data validation. Customizable and simultaneously tracks productivity and reliability.

Additionally, our data validation team can perform spot audits or audit charts monthly.

BDVS
Buck Data Validation Systems

Evaluation

Data Management Consulting:
On site review of your trauma registry program with recommendations for streamlining your work flow.

ACS Site Visit Consultations:
First time verification visit coming up? Our highly experienced, seasoned trauma program managers and registrars can help!

"WHEN WE **RAISE** THE BAR, PEOPLE RISE TO **MEET** IT."
